Subject: MICROSOFT SETTLEMENT

I'm totally IN FAVOR of Mr. Gates & Microsoft & its innovative & creative products to help better our lives. LEAVE MICROSOFT ALONE to use its time to continue to do this.

Please do not waste their time in court in the name of "justice" ... it is NOT justice to stifle the minds of brilliant people working for a brilliant company producing goods which we all buy to enhance our endeavors.

This IS a free Country...so let them be free to continue to innovate.

Thanks, Kata Patton
